# Offshore var ikke et hit hos IOC

- IOC bad i april World Sailing om at komme med alternative discipliner som erstatning for Mixed Two Person Keelboat Offshore
- IOC's problemer med Mixed Offshore:
  - Der er endnu ikke afholdt et VM i disciplinen
  - Manglende sikkerhed / meget stort field of play
  - Øgede omkostninger ved at skulle TV-transmittere disciplinen
- World Sailing fremsatte
  1. At dele Mixed Dinghy i to; mænd og kvinder
  2. At dele Mixed Kite i to; mænd og kvinder
  3. Mixed holdsejlds i ILCA
- IOC valgte i juni forslag 2.
- 10 discipliner – 5 foilende, 4 med bræt i stedet for båd, 2 mixed

# EUROSAF – udvekslingsprogram for officials

- Mulighed for at få international erfaring – enten før ansøgning om international licens eller mere generelt
- Koncept:
  - Et antal stævner byder ind (gennem deres nationale forbund) med pladser til NJ, NRO, NU, NM, IJ, IRO, IU eller IM'ere.
  - De nationale forbund indsamler ønsker fra deres officials om udveksling
  - Pladserne fordeles på et årligt møde i januar
  - Stævnet betaler indkvartering, forplejning og lokal transport; transport til stævnelandet betales af den enkelte official eller dennes nationale forbund

# EUROSAF – er udveksling relevant for mig?

- Som official:
  - Du får mulighed for international erfaring
  - Du skal være NJ, NRO, NU eller NM
  - DS yder støtte til udsendelse af et begrænset antal officials om året. Kandidater, der har taget en international eksamen, prioriteres
- Som stævnearrangør:
  - Mulighed for at bidrage til uddannelse af nye officials + spare på omkostningerne (du sparer en flybillet)
  - Mulighed for at tilbyde pladser i alle kategorier – dog skal det ønskede antal af nationale officials > antallet af internationale
- Kontakt Mikael Jeremiassen eller Andreas Kuchler ved interesse eller spørgsmål
